RE: Change of Ownership

Please accept this letter as a formal announcement of the change in ownership of Computer Partners Corp. After more than 20 years in the computer industry in the Kitchener-Waterloo area, I have decided to pursue other opportunities outside the region.

Effectively immediately, Amy Emmerton will be the new owner of the business, and will be taking over my role.

It is Amy's plan to continue business as usual and I am confident that Amy will provide you the same level of courteous, personal service that you have come to expect from Computer Partners. In addition, our group of skilled technical consultants will not be changing, so you can rest assured that your websites, e-mail and retail systems are in good hands.

Amy and I have been working together to make this transition as smooth as possible, but please bear with us as we work through the administrative and technical changes that are typical during this time.

I would also like to take this opportunity to thank all of you for your loyalty and commitment to Computer Partners and myself over the years, and I encourage you to extend this same loyalty to Amy in the future.

Sincerely,

RE: Change of Ownership

As you read in Bob's letter, I am the new owner of Computer Partners.

My immediate plans are "business as usual", although we will be making some major changes to our computer infrastructure before the end of the month, due to the change in office location. Our technical team (led by my husband, Matt Emmerton) is working hard to ensure that this is a smooth process.

Effective immediately, our mailing address has changed. Our phone and fax numbers will remain the same.

Sincerely,
